

It is with some hesitation that I am writing this thank you for Father Adrian on his last weekend in our Parish - as with it comes the end of an era. An era where Father Adrian has provided a calm, spiritual leadership, and selfless support to us all. Like a good father - watching and observing us move through life, growing in spirit and in mind, giving us a little nod or push if required, a smile of hope and understanding. It was evident by the large turn out on Friday at the Big Farewell Bash (over 550 attendees) that Father Adrian is loved and respected by the Parish. On behalf of the Parish I would like to thank Father Adrian for his strong, tacit leadership since 1998 – Father Adrian please accept our heartfelt thanks for your time, prayers, endless energy, and selfless commitment to our Parish. We wish you all the best in your new position as Vice Rector of the Holy Spirit Seminary
