Feast of Sts Peter and Paul, Apostles

On 29 June, the Church celebrates the feast day of Sts Peter and Paul. Together, the two saints are the founders of the See of Rome, through their preaching, ministry and martyrdom there.

Peter, who was named Simon, was a fisherman of Galilee and was introduced to the Lord Jesus by his brother Andrew, also a fisherman. Jesus gave him the name Cephas (*Petrus* in Latin), which means 'Rock,' because he was to become the rock upon which Christ would build His Church.

Peter was a bold follower of the Lord. He was the first to recognize that Jesus was "the Messiah, the Son of the living God," and eagerly pledged his fidelity until death. In his boldness, he also made many mistakes, however, such as losing faith when walking on water with Christ and betraying the Lord on the night of His passion.

Yet despite his human weaknesses, Peter was chosen to shepherd God's flock. The Acts of the Apostles illustrates his role as head of the Church after the Resurrection and Ascension of Christ. Peter led the Apostles as the first Pope and ensured that the disciples kept the true faith.

Peter spent his last years in Rome, leading the Church through persecution and eventually being martyred in the year 64. He was crucified upside-down at his own request, because he claimed he was not worthy to die as his Lord.

He was buried on Vatican hill, and St. Peter's Basilica is built over his tomb.

St Paul was the Apostle of the Gentiles. From his letters we learn much about his life and the faith of the early Church.

Before receiving the name Paul, he was Saul, a Jewish Pharisee who zealously persecuted Christians in Jerusalem. Saul's conversion took place as he was on his way to Damascus to persecute the Christian community there. He took the name Paul and spent the remainder of his life preaching the Gospel tirelessly to the Gentiles of the Mediterranean world.

Paul was imprisoned and taken to Rome, where he was beheaded in the year 67. He is buried in Rome in the Basilica of St Paul Outside the Walls.

In a sermon in the year 395, St Augustine of Hippo said of Sts Peter and Paul: "Both apostles share the same feast day, for these two were one... we celebrate this day made holy for us by the apostles' blood. Let us embrace what they believed, their life, their labours, their sufferings, their preaching, and their confession of faith."

Baptismal Joy!!

This weekend we welcome with great joy five new members of Christ's faithful people: Leo Martin, son of Tony and Kate Martin; Scott Alers, son of Craig and Sarah Alers; Ellaria Larden, daughter of Rob and Karina Larden; Harvey Stewart, son of Mitchell and Jessica Stewart; Ayla Hagell, daughter of Chris Hagell and Madeleine Hunt. May they always know God's love and the support of this Christian Community.

Your Generous Support...

Each year parishes in the Archdiocese of Brisbane take up the Peter's Pence collection **as a retiring collection**. The collection is to be taken at the Masses the weekend after the Feast of Sts Peter and Paul. Therefore, this year's collection will be taken up on the 3 and 4 July 2021 (14th Sunday of Ordinary Time).

Would you, as members of St Agatha's Clayfield, please make a small contribution to Peter's pence next weekend, as Catholics in Australia, to join in communion with the Catholic faithful throughout the world, in support of the charitable works of the Holy See.

The collection allows the Holy Father to respond to the neediest throughout the world, to offer timely, effective, emergency assistance to our suffering brothers and sisters. I would like to thank everyone for your generous support.

The government has updated their advice regarding the use of the Check-in QLD App. While our advice to parishes indicated that they could keep paper contact details for parishioners who did not have a smart phone or were not able to log on, the updated information today indicates that: If a visitor does not have a smart phone or is unwilling to use the Check In Qld App, then the parish are to use the business mode of the app to enter in details on their behalf. The app offers the ability for parishes to enter parishioner contact details via 'Check In Qld Business Profile mode' listed in the profile section of the app.

Alternatively, if an accompanying person has a smartphone, they can add them as a guest on check in.

St Thomas is a Hero

St Thomas is a hero who, even though doubted Jesus, did many things for many people. He was believed to have been a Galilean fisherman, similar to Peter, James and John (other apostles). When Jesus called to Thomas, he followed with faith and trust.

He is also known as Doubting Thomas because doubted Jesus came back to life. That is what he was most known for, but he did many good and brave things with Jesus. He is the patron saint of doubting people, architects, the blind, and India.

One of St. Thomas the Apostle's traits was stubbornness. He was very stubborn and once he decided on something, you could not change his mind. For example, when he thought the Apostles would die by following Jesus to Bethany, he still followed Jesus because he loved and respected him.

During the Last Supper, Jesus said he would prepare a place for the Apostles. The place was unknown to Thomas which confused him. He asked what this meant and was told that Christ was the Way, the Truth, and the Life.

Later, when risen, Jesus appeared to the apostles, but Thomas was not with them. When the rest of the apostles told him, Thomas did not believe. He said "Except I shall see in his hands the print of the nails, put my finger in the place of the nails, and put my hand into his side, I will not believe". When risen Jesus appeared to Thomas, he was shocked, and he begged for forgiveness.

Some of the tradition says that as the apostles started to travel the world Thomas had to preach in India. Thomas tried to evade going to India, but Jesus appeared and sold Thomas to a man named Addan. He was then taken to the land of Andrapolis, India, to be a carpenter for Gundafor. St. Thomas had to build a castle for him, but he gave the money to build the castle to the poor. After, Gundafor threw him in jail. Later, St. Thomas miraculously escaped the jail and converted Gundafor. After leaving Gundafor's city, he

came across King Misdai's city. St. Thomas when he got there converted King Misdai's wife and son. King Misdai got angry and sentenced St. Thomas to death. The soldiers led him to a hill outside of the city and stabbed him with a spear.

St. Thomas is great saint because he was brave and willing to die for Jesus. Even though his persistence led him to doubting that Jesus had risen, and that gave him the bad name of Doubting Thomas, Thomas still did many great things. His stubbornness made him a strong follower of Jesus, and he would follow Jesus anywhere. St. Thomas risked his life doing things for other people like when he gave the king's money to the poor. He followed Jesus in his teachings making him a hero.

Tradition says that this saint was sent to evangelize to the Parthians, Medes, and Persians until He reached India, carrying the Faith to Kerala coast, which still boasts a large native population calling themselves "Christians of St. Thomas." he was martyred in Mylapore, India in 72 A.D.

On July 3rd, we celebrate the feast of St Thomas.

Don't forget the Sacrament of Reconciliation...

In the Sacrament of Reconciliation we express sorrow for our sins and promise to do our best not to repeat this sin again, we acknowledge our sins before God, we receive pardon (absolution), and we perform an act of penance or reconciliation as directed by the priest.

The grace we receive from the reception of the sacrament helps us grow stronger in our faith and our ability to live a Christ-centered life.

"Even I go to Confession every 15 days, because the Pope is also a sinner. And the confessor advises me and absolves me, because we are all in need of this forgiveness". — Pope Francis
