## The Most Holy Trinity 4 June 2023 (Year A)

Hi all,

A good concrete illustration of the Blessed Trinity is an equilateral triangle. Such a triangle has three sides equal in every way, and yet distinct from each other. There are three sides, but only one triangle. As we see in this illustration, each Divine Person is different from the other two, but all three are God. Each one is God, distinct from the two others, and yet one with them. The three Persons are equal in every way, with one nature and one substance: three Divine Persons, but only one God.

Our parishes are celebrating vocations for the month of June. Check out the stand at each of the churches and read about what is happening in our Archdiocese at Vocations Brisbane - <http://www.vocationbrisbane.com/>

We also congratulate Deacons Gerard Lai, Isaac Falzon and Minje Kim on being accepted for the Sacrament of Holy Orders. Their Ordination will be held on the 29<sup>th</sup> June at St Stephen's Cathedral on the Feast of Saints Peter and St Paul.

Blessings Fr Nev

CELEBRATING 120 YEARS 1903 - 2023

Is your love conditional? Is there a price others have to pay to receive your love and forgiveness? Are you generous with your time, skills, money and possessions? If you give someone something, do you expect something in return? Do you give your time freely or do you fit it in? when it's convenient for you? God desires a personal relationship with us so much that He gave us His Son, unconditionally! Pray for a grateful and generous heart.
